

Roundabouts

1. Unless otherwise marked, which lane should you normally position your vehicle in to go straight ahead at roundabouts?
2. When could you use the right lane for going straight ahead?
3. When approaching a roundabout, who has priority?
4. When turning right at a roundabout, at what point would you signal left?
5. Why is it important to check your mirror before leaving a roundabout?
6. Why do some roundabouts have tiles or hatch markings around the centre of them?
